

Challenge Leads to Great Ski Race

Ski club president Kevin Goble had difficulty deciding who should cut the ribbon for the official opening of the new club chalet so County Councillor Ivan Vowk (L) took matters into his own hands. In the above picture he is shown issuing a challenge to Mayor Lloyd Maclean for a downhill race to the ribbon -- on skis. The race will take place at the Grand Opening of the Chalet and hill December 12th at 2:00 p.m. The club advises that there will be a sale and trade of used boots, skis, etc - doughnuts and coffee will be served - everyone welcome. Club president Goble can be seen in the background doing his best to assure good snow conditions for the opening.

NEPTUNE CLUB DONATES TO TOWN

The Neptune Swim Club of Drayton Valley recently donated \$225.00 to the Town of Drayton Valley. The cheque was sent by the Club's secretary-treasurer to Town Administrator, W. G. Johanneson. It was suggested by the donors that the funds be used for improvements to the pool or some phases of the pool program in 1972 and that this amount be included in next year's Recreation Budget for such a purpose.

On June 26, 1971 the Neptune Club held its second annual Swimathon which was a very successful venture. As a result a total of \$457.02 was collected from all participating swimmers.

Each swimmer was sponsored by individuals in the community for an amount of one cent or more per length of the pool. The maximum distance swum by any participant was 64 lengths or one mile. Forty-four swimmers took part in this Swimathon and of this number a total of 31 completed the mile swim.

The majority of those taking part were teenagers with the youngest competitor being eight years old. Many of the swimmers competing the mile swim did so within the required times to qualify for gold, silver and bronze bars.

A variety of amounts of money was realized from the efforts of each participating swimmer ranging from \$3.06 to \$36.00 which totalled \$457.02. Of this amount the Neptune Club executive de-

cided that a sum of \$225.00 should be donated to the Town for improvements at the pool.

The Town Council and the Recreation Board wish to express their appreciation for this donation. As requested it will be inserted into the 1972 Recreation budget for the purpose of improvements at our swimming pool next summer.

Senior Citizens' Annual Banquet

The Senior Citizen's Annual Turkey Banquet will be held in the Elks Hall Sunday, December 12th at 5:30 p.m. sponsored by Drayton Valley Order of Royal Purple. If you are 65 or over, have not received an invitation or know of anyone who has not received an invitation please phone Mrs. McMorris at 542-3737.

Pre-Natal Classes

A Series of Pre-Natal classes will be held at the office of the Edson Health Unit, commencing December 2nd, at 7:30 p.m. Please phone 542-3842 for further details.

MOTHERS DAY OUT

Mother's Day Out Program for Wednesday, December 1st will be Liquid Embroidery with Heyland.

AIRPORT FUNDS NOW AVAILABLE

Town Council was advised at the last regular meeting that approval has now come from the Federal Ministry of Transport for government assistance in the construction of an airport in Drayton Valley.

Information from the Ministry of Transport advises that \$37,000. is available for the construction of a 3000 foot paved air strip with 200 foot gravel over runs.

Council considered the matter at its meeting and it was pointed out that the federal portion represents less than a third of the total estimated cost of the project.

Earlier this year, and last, the proposed air strip attracted considerable local interest with council going so far as to option land north of town. The options were dropped when it appeared that the project would be abandoned.

A council committee will study the proposal and report findings to an early meeting.

BOARD MEMBERS STILL REQUIRED

Nominations are still open for positions on the Drayton Valley Recreation Board. Two new Board members are required to take over duties as of Monday, January 3, 1972.

To date only two persons have been nominated and nominations close Friday, December 3, 1971. The Board positions in question are open to all persons interested in the Community Recreation program in general. It is requested that groups or organizations nominate a candidate for Recreation Board membership.

REBELS SUFFER FIRST LOSS IN LEAGUE PLAY

BY DOUG BARNES

Tuesday, November 23rd the Rebels travelled to Fort Saskatchewan to meet the Huskies. The ever-tough, rough, Huskies gave the Rebels their first league loss.

The Rebels found themselves down 1 - 0 after the first period on a goal by Huskies playing coach, Butch Thomlinson. Fort Saskatchewan scored 2 more in the second period before Rebels Henry Hodgson put the Rebels on the score board. Assisting Henry was Sam Belcourt and Terry McGowan at 9:45.

Huskies veteran Butch Thom-

linson made it 4 - 1 for Fort Saskatchewan at 18:00 minutes of the second period. This closed off the scoring for the second period.

The Rebels outscored the Huskies 2 - 1 in the third period. Rookie Jerry Wilkes made it 4 - 2 at 4:37 of the third period assisted by Sam Belcourt. Reg. Kingh scored Huskies only goal of the third period at 14:29. Gary Pankewicz finished off the scoring in the game at 14:39 assisted by Frank Roggeveen and Art Assman.

Fifteen penalties were handed out by referee Eric Peterson, eight to the Rebels and seven to Huskies. Huskies new comer Art Lamoureux collected a minor, a misconduct and a game misconduct.

Final score, Fort Saskatchewan 5, Rebels 3.

The Rebels still on the road travelled to Westlock Saturday, November 27th and downed the Eagles 4 - 1.

Rookie Jerry Wilkes picked up two more goals, looks like the Rebels have acquired a good young hockey player. Jerry scored the only goal of the first period at 14:28 assisted by Dan Davie.

Westlock tied the game up at 3:28 of the second period on a goal by Leo Provencal. The Rebels scored two in the second period. The first at 9:51 by last year's scoring champion, Sam Belcourt assisted by Doug Hall at 10:37. Don Bom made the score 3 - 1 assisted by Terry Day and Art Assman. Jerry Wilkes scored the only goal in the third period assisted by Sam Belcourt and Terry McGowan.

Only nine penalties were handed out by Ernie Bouck, referee-in-charge, five to the Rebels and four to Westlock.

Due to the Grey Cup Game on Sunday, November 28th the game Drayton Valley at Westlock will be played at a later date. The Rebels travel to Fort Saskatchewan again on Tuesday, November 30.

They will not play at home until December 11th.

The Rebels now have four wins and one loss. I should have some statistics next week, at least I will have Rebels individual scoring points.

SEAL RETURNS

Christmas Seal returns in the current Christmas Seal Campaign are coming in well, according to Mr. J. M. McKenzie, General Secretary of the Alberta Tuberculosis and Respiratory Disease Association. For the first two weeks of the Campaign, \$147,668, has been received from 45,114 contributors. This is 48% of the total provincial objective of \$306,000.

Yellowhead Upgrades School Facilities

The Yellowhead School Division is presently carrying out renovation projects at two schools in the

division. At Niton Central School a classroom has been converted into a modern carpeted and equipped library while at Central Elementary School in Edson a new science room has been completed, two classrooms have been renovated for ancillary space for music and art, and the old industrial arts lab is being renovated for a library.

Funding of these projects is by the Department of Education which set up a renovation fund in 1971. Money can be obtained only when rooms are being renovated so as to make the space more educationally useful, but cannot be obtained for renovation because routine maintenance has been neglected.

Other projects which were applied for but did not receive approval for funding were a corridor connecting the two schools at Niton and the provision of showers and storage rooms for the gymnasium at Wildwood. The division however, has decided to proceed with the corridor at Niton by financing it out of surplus funds. The project at Wildwood will be considered by the Board for construction in 1972.

The maintenance department of division is carrying out the work on all projects. Official openings will be announced in the near future.

TRUSTEES ELECTED

The official count for the election of a trustee in Subdivision #2 and Subdivision #3 of the Yellowhead School Division was held on Friday, November 26th in the Central Office of the school division at 10:00 a.m.

The Returning Officer for the school division, Mr. D. S. Blundell, reports that the official results are as follows:

Subdivision #2, Wildwood -- Mr. Wm. Lemishka, 94; Mr. A. Winfield, 109; Spoiled Ballots, 4; for a total of 207.

Subdivision #3, Niton -- Mr. S. Delano, 152; Mr. J. H. Lawton, 111; Spoiled Ballots, 4; for a total of 267.

Mr. Winfield and Mr. Delano will be sworn in prior to the regular meeting of the Board of Trustees on December 8, 1971 for a three-year term. Mr. Winfield is a farmer and resides south of the Village of Wildwood and Mr. Delano is a contractor and resides at MacKay, Alberta.

Farm Association Offers Winter Vacation Fun

Are you planning to do some skiddooing this winter? How would you like to take your skidoo into beautiful open country where you are unrestricted by people or space? Or would you like to skate, snow shoe or do some ice fishing on a picturesque lake? Then contact the Great West Vacations Association, Bentley, Alberta, for accommodation.

The Great West Vacations Association is an association of families who have joined together to set up a farm vacations program for urban people who enjoy the outdoors. Having started with only five members last May, it now has a membership of about 40. Enquiries about the summer vacations program came from city and town's people in British Columbia, Saskatchewan, Florida, Texas, Oregon and California.

All the members of the association have farm accommodation to rent. Their farms are located in areas extending from Grande Prairie in the north to Raymond in the South, and from the British Columbia border on the west to the Saskatchewan border on the east.

Each farm is listed and information is recorded on the number of rooms available, whether it is the owner's house, an unoccupied house on the farm or a cottage, and the number of people that can be accommodated. Then, if a person writes in to the association and asks for accommodation for himself, his wife and three children, or for several couples, the association knows which farm to assign to him.

Any type of accommodation is accepted for registration, no matter how rustic, as long as it is described accurately. Many of today's city people long to get away from the "rat race" for a few days and are looking for accommodation that might be termed by some as "primitive".

A family renting a cottage on one of the farms listed with the association can expect to pay

\$35 to \$65 a week, depending on the size of the accommodation and the things that go with it. Full room and board for those living with a farm family is \$60 per week per person or \$9 a day. In the case of a family, the cost

is \$160 per week for a family of three or \$24 a day and \$200 a week for a family of five, or \$32 a day. Lunches and hot meals can be arranged for anyone wishing to come out for one day only. There is a small charge of \$1 per machine for those who do not want accommodation, but want to use the snowmobile areas on a daily basis.

The president of the association,

Don Castleman, reports that the association is still accepting memberships. A membership entitles a farmer from anywhere in the province to register his accommodation. The fee is only \$5 per farm which is used for expenses and advertising.

More information on the Great West Vacations Association can be obtained by writing to Box 185 Bentley, Alberta.

Annual Vesper Service Planned

Our several worlds, symbolized in the "Circles of Christmas" will be the focus of Christmas Vesper Services to be held by Canadian Girls in Training (CGIT) throughout the country in December.

The Services will link the setting of the Christmas story -- the Holy Family in the stable, the town of Bethlehem, the world of Caesar Augustus and the Star of Bethlehem -- with the relation of the individual to the present-day world -- his or her family circle, the neighborhood, the world community and the universe.

The CGIT members, themselves conduct the Services which have been held annually since 1940. This year's Service was prepared by Dr. R. K. N. McLean.

LEGISLATIVE REPORT

By Kevin Peterson and Don Sellar (Of the Calgary Herald)

A leadership race that hasn't been declared yet dominates the concern of Alberta Social Crediters as they try to regroup after the stunning Conservative victory in the August 30 election.

At the party's recent annual convention in Calgary, Socreds began talking about the policy review that they hope will make them contenders when Premier Peter Lougheed takes his party to the polls three or four years from now.

But more important than the talk of return to Social Credit or the need for the party to stake out a distinct ideological group was the line-up of possible successors to the job of Harry Strom.

The leader got into the act himself when in his major speech to the convention he called for "a critical appraisal of the total

leadership of our party."

Mr. Strom, who has indicated since the election defeat he will not lead the party into another election, also said the party should look to an early review of its policy and "establish our strategy for contesting the next election."

The non-declared leadership contest at the moment revolves around two groups. One is led by former highways minister Gordon Taylor while the other is a loose coalition involving former education minister Robert Clark, former environment minister Jim Henderson and former health and social development minister Ray Speaker.

Mr. Taylor, who ran second to Mr. Strom when the Socreds chose a successor to E. C. Manning in 1968, enjoys a lead at present. He has vast political experience and was the first Socred member to react to the election defeat by beginning work on the party's unfamiliar opposition role.

But the Drumheller MLA is now 61 and his age is a handicap, particularly when there are younger men in the party who could echo the youthful image of Premier Lougheed and be sold to voters on television.

Mr. Clark and Mr. Speaker worked with the Strom leadership campaign and are likely to cast their lot together in this contest. Mr. Henderson is standing with this group at the moment but is keeping his options open on the possibility of his own candidacy.

The three scored a minor, and not very meaningful, victory at the recent convention when candidates they supported won all but one of the party's executive posts. President Bill Johnson was re-elected and members of the party's liberal wing took the second, third and fourth vice-president posts.

But the only real contest put before the surprisingly large convention crowd of 650 was for first vice-president. Here, Mr. Taylor's personal lieutenant, Francis Porter, defeated Calgary's Charlie Gray who was backed by the group.

More meat, poultry, eggs, vegetables and fruits are consumed by Canadians today than in 1949, but less cereal products and fluid whole milk.

BURTONSVILLE NEWS

On November 20th an anniversary supper and dance was held in honor of Adrian and Millie Charlet. A delicious supper was served and enjoyed by the immediate family; Mr. and Mrs. B. Henkel and family; Mr. and Mrs. E. Henkel and family; Mr. and Mrs. L. Henkel and family; Mr. and Mrs. L. Ratke and family; Mr. and Mrs. C. Homme and family; Mr. and Mrs. Gary Pick; Allan Charlet; Adrienne Charlet; and Bryan Charlet. Also Mr. and Mrs. C. Reich; Mr. and Mrs. M. Reich; Richard Reich; Mrs. Rudolph Reich; Mr. and Mrs. Pete Charlet; Miss Bernice Lang; Mr. and Mrs. Philip Sheideman; Mr. and Mrs. Mitchell.

Alan Charlet proposed the toast to the honored couple. Emil Henkel presented them with a silver tray with the names of all their children and grandchildren on it. Several other lovely gifts were received among which was a plaque of 25 silver dollars with Adrian and Millie on it and the silver dollars arranged in a 25 from the community plus a silver purse of \$113.00. The Oil Tones provided the music for the evening.

Mr. and Mrs. Charlet thanked everyone for the gifts and their children for putting on the supper and dance in their honor. There were 110 guests who signed the guest book and many more who joined in the dancing.

Mr. and Mrs. Gary Pick are back from the Hay River country although they had to leave the trailer and car up there on a barge frozen in on the Horn river.

Visitors at E. Homme's on Sunday were Mr. and Mrs. Lewis Homme, Mr. and Mrs. Robert Homme of Stony Plain, Mr. and Mrs. Zolton Petriko and family of Edmonton and Mr. and Mrs. Richard Wheadon and family of Whitecourt.

Weekend visitors at S. MacDougall's were Mr. and Mrs. Delbert Joy and Norah MacDougall of Edmonton.

This Is a Switch

Members of Town Council were pleasantly surprised at a recent meeting when they were informed that the Neptune Swim Club was putting \$225 into the town coffers to help with improvements at the swimming pool.

Councils' usual communication with various recreational organizations involves requests for assistance so the Neptune offer was greeted with enthusiasm. In these times, with recreation demanding a healthy piece of the tax dollar, it is indeed refreshing to have an organization with the community-spirit and initiative to help improve the sport or recreation facility in which its interest lies.

Perhaps the Neptune lead will encourage others -- not necessarily to contribute to the town finances -- but to endeavor to carry some (or a larger share) of the costs of their activity. The ratepayers who foot the bill would appreciate it.

A Joyous? Season

Christmas can be a joyous time of year.

It can cause happy wonder to shine in the eyes of a little boy or girl. It can bring great joy into a child's life. It can awaken faith.

But unfortunately for some children, Christmas this year may be a disappointment. It may be looking in store windows at toys their parents can't afford to buy -- or suffering for lack of adequate clothing -- or simply experiencing a feeling of utter aloneness.

This need not be; for the Salvation Army, on your behalf reaches out to such children and makes possible for them the thrill of opening gifts, the treat of enjoying a special holiday dinner, the warm feeling of wearing new clothes.

Yes, The Salvation Army knows many, many troubled people, both young and old. It tries to make Christmas happy and meaningful by providing friendship and material assistance for the less fortunate in communities -- all across Canada -- fathers who will spend this Christmas behind prison bars -- for mothers whose children lie ill and cold in a substandard dwelling -- for painridden hospitalized veterans -- for many needy youngsters who know little of comfort and joy.

The Salvation Army has been spreading joy and happiness at Christmastime -- and throughout the year -- for more than a century, and it plans to keep on doing it.

Share YOUR blessings this Christmas.

What's A Farmer Anyway?

What is a farmer any-way

Just a man who grows some hay?

A quiet man; not much to say.

Who works twelve hours, for six hours pay.

Who is that guy with twins a pair?

The one with the cowboy hat on his hair?

I wonder if life is treating him fair?

The guy whose jeans need some repair.

See that woman by his side

And how she looks at him with pride.

Ever see a man look calmer?

By golly he must be a farmer.

BE CAREFUL! Prevent Farm Accidents

LETTERS TO THE EDITOR

The Editor,
The Western Review,
Dear Sir:

I would like M. Grue of the Fish and Game Association to read his own letter and then go on and read the next one by V. Munro, of the Snowmobile Club, and he will have his answer just why, farmers and property owners want a by-law such as the County proposes. Give an inch and some one will take a mile.

We have had hunters shoot into our barn yard, three cattle crossing signs not two jumps from the house and clean out beaver dams a half mile inside our property. We like wild game, the wee bit that is left, and we have tried to protect a small corner in this district.

Have you fellows ever looked out your kitchen window and seen a herd of deer grazing in the moonlight, or at sunset? Have you ever seen a wild animal without grabbing for your gun?

We don't like to put up no trespassing signs because that means everybody, neighbors looking for a stray, kids on a hike, and nature lovers.

Yours for more by-laws.

Yours truly,
Mrs. E. Kelly

HART CANTELON

Readers wishing to write to Mr. Cantelon are invited to do so. All letters to be forwarded to Hart Cantelon Counselling Services Ltd., 1600 Cambridge Building, Edmonton. Please include a stamped self-addressed envelope to ensure a reply.

Dear Mr. Cantelon:

I've got a problem which I can't cope with any more. Two years ago, I started going with a fellow. Three months after I met him, he went to jail for 18 months. He was on a three year parole at that time. He was in his middle 20's while I was in my late teens. I told him I would wait. For the first year things weren't too bad, but after that I wanted a little freedom. I was pregnant when he went to jail. All the while he was in jail I got letters from him saying I was untrue. This was not so in the beginning. Later on it was. The result was that I started having dates and I tried drugs. The feeling was nice not to have to worry about anything for awhile. During the 18 months he was in jail, many things happened. My son was in hospital four times. At that time, I needed someone to talk to and to get comfort from, but my boy-friend wasn't here. Well, he is home now and things are all wrong. I don't love him but I don't want to hurt him. Two months ago he beat me up for going out to a bar without him. At first, I had hoped to be married, but now all I want is to take my little boy and go home to my parents. I'm beginning to hate him but I don't want to hurt him. I need out of this. He's no help with the baby except to spank him, and that's no help when he's just a baby. And when this happens I just get mad.

Dear Confused:

You may get by without being honest in regards to money - at least for awhile but you can never get away with being dishonest about your feelings. You say that you do not want to hurt your boy-friend. But the real facts are that you are hurting him more and more each day, but not facing him with what you really feel and think. What is more you are also hurting an innocent child. So instead of not hurting anybody, you are in truth hurting two people very badly not counting what you are doing to yourself. So lay your cards on the table now and don't wait another single day.

Dear Mr. Cantelon:

We have a boy in high-school who is the eldest in the family. He is an excellent student. His teachers praise him for his conduct and ability. This boy is not very active in sport and has no desire to compete with other children. He enjoys individual sports such as gymnastics and golfing. Sometimes, he will enter into some team sport if he knows the boys involved. He does his homework, but then spends a great deal of the remainder of his time reading and listening to a record-player. As we look back he is spending less and less time with the family. He seldom speaks to anyone of his brothers or sisters. He will do simple chores, willingly, but when we try to have him share in some new responsibility, he refuses. He has scarcely any friends. The other day something new happened. He made advances to a girl-friend of one of his sisters when they returned home from school. When he was confronted with this he became so angry that I was afraid of him. When he cooled-down, he agreed to talk to someone about this. What is the next move?

Dear Parent:

Take him into your confidence. Tell him that he could begin with the counsellor at the school he attends. He may not want to do this, as teen-agers often find it easier to talk to a stranger about these things than to a friend. Or, you might begin with your family doctor, and find out if he is willing to talk to him about this prob-

lem. If he starts to back-out from going to a counsellor, then set your sights on getting him to somebody very, very soon, even though he goes reluctantly. Keep in mind that this boy needs help, and sooner or later you must get it to him - hopefully as soon as possible.

BUCK CREEK NEWS

The Buck Creek Sunday School Committee would like to thank everyone who came out to the bingo and bake sale, on November 20th to make it a big success.

Carolyn Barra was a guest at an anniversary party held for Edwin and Doris Lindberg at their home north east of Buck Creek on November 20th.

Mr. and Mrs. Whittaker have left for a visit to Nova Scotia, where they will spend the Christmas holidays with friends and relations. We all wish them a pleasant trip.

Don't forget the bingo at Buck Creek on December 3rd. The jackpot is now \$120.00.

There was a good turn out at the Poll for the County Council Election in spite of the rather poor weather. It is good to see people taking an interest in local

Government.

Due to the fine fall weather, most of the local farmers are catching up on their fall work

and will soon be ready for winter. Don't you all dread the thought of thirty below zero and drifting snow?

Canada Works

You can be a moving force in creating jobs for Canadians.

Canada works when Canadians get involved together. So the Federal Government is putting 498 million dollars to work, through a series of specific programs, to help create jobs for Canadians.

CANADA WORKS WITH YOU

You're a major force in making the program work. We're counting on you, either on your own initiative or through your community groups, to come up with ideas for the Local Initiatives Program. For example, you may have a social service project or an idea such as a cultural program, improvements to substandard housing, assistance to the handicapped, or others that create employment and make your community a better place.

The Training-on-the-Job Program will expand opportunities for training for those who are unemployed or have little work experience, and will work through business and industry.

For those with some basic work experience, the Canada Manpower Training Program has been extended to help provide additional learning.

CANADA WORKS WITH BUSINESS AND INDUSTRY

A program of tax credits or direct payments to employers encourages them to add trainees to their staffs through the Training-on-the-Job Program.

CANADA WORKS WITH MUNICIPALITIES

The Local Initiatives Program will help municipalities create additional jobs through worthwhile community projects. Provincial governments will work with municipalities to use this program to support and spur community projects.

CANADA WORKS WITH THE PROVINCES

There's a Federal-Provincial Employment Loans Program designed to create jobs

by financing additional capital works projects throughout Canada. We'll be speeding up the program of the Central Mortgage and Housing Corporation to get more homes, student housing, and sewage treatment projects under way.

Loans will also be made to exhibition commissions, boards and associations to get people working on multi-purpose fair and trade buildings.

CANADA WORKS WITH FEDERAL PROJECTS

There will be more job opportunities in expanded maintenance and improvement activities on Federal buildings; transportation facilities; forest and park projects; and many others.

WHERE IT ALL WORKS TOGETHER

It starts at your Canada Manpower Centre. For advice and assistance on any of the programs you feel apply to you or your community, contact your local Canada Manpower Centre. They'll be happy to help you.

KNOW YOUR SCHOOLS

This "question-and-answer" column provides an opportunity for citizens to ask questions about education. If you have any question concerning the schools you are encouraged to send it to "Know Your Schools?", P.O. Box 777, Stony Plain, Alberta.

Question:

How much does the County of Parkland No. 31 pay in tuition fees to the Yellowhead School Division for students attending Evansburg High School and how is the amount calculated?

Answer:

The County of Parkland No. 31 will pay \$3,030.21 this year on the basis of 58 students in attendance at Evansburg. This amounts to \$104.49 in tuition fees for each student. The formula for determining this amount is as follows: (a) County of Parkland No. 31 - Pupil Cost 1971 Supplementary

Requisition, \$259,690 - Divide - Enrolment September 30, 1971 - 5,626 Pupil cost on Supplementary Requisition, \$46.16.

(b) Yellowhead School Division No. 12 - Pupil Cost 1971 Supplementary Requisition - \$472,844. - Enrolment September 30, 1971 - 5,075 Pupil cost on Supplementary Requisition 93.17.

(c) Average Pupil Cost (a) \$46.16 plus (b) \$93.17 divide by 2 equals \$69.66

(d) Tuition Fee for Each Student (c) \$69.66 times 1.5 weighing factor = \$104.49.

Question:

What is the cost to the County of Parkland No. 31 to send students to private or government schools in special cases of mental or physical disability?

Answer:

The County presently has nine students at the Winnifred Stewart School and the Parkland School for Retarded Children. The tuition fee for each student is \$950, of which 85% is recovered by the County by way of government grant. Boarding allowances are \$2.50 per day and the government rebates 90% of this amount. There are four children attending the Alberta School Hospital and one attends the Glenrose School Hospital. No tuition fees are charged by the hospitals as these are government owned institutions. The boarding allowance is \$45.00 per month at the Alberta School Hospital and \$2.50 per day at the Glenrose. Ninety per cent of these charges are recovered by government grants to the County.

BUCK LAKE NEWS

The teachers held a staff meeting at the school on Tuesday evening November 16th and they were all in agreement that the Parent-Teacher Interview held last Friday the 12th was most successful. All but parents of three families turned out and were more punctual this year. Present during the day from Edmonton was Mr. Brunner from Language and Arts, and Mr. Kluchky from the Science Department of the Department of Education.

Parents, don't forget to attend the Christmas concert and carol program at the hall on Friday, December 10th. Help your child to participate in this program to make it a real success. Phone Vera Brzus for more information.

Birthday greetings are going out to Madeline Prefontaine on November 26th, Wilfred Anderson, November 22nd; Edna Wasyk, November 27th; and Elizabeth Kaserman for November 29th. Wedding congratulations to Joe and Marg Roberts and Ken and Judy MacDonald on November 28. Congratulations, everyone.

Norman Inglis is now working at Whitecourt, Alberta

Betty, Kathie and Irvin Bouck motored to Spruce Grove Saturday and returned Sunday afternoon bringing Stuart Kane back for a two week stay with his

grandparents.

The Brzus children have the worst luck, as far as broken limbs are concerned, anyway. Karen is the third one to have the misfortune of breaking an arm as the result of a fall. Its going to be rather difficult - being her right arm.

Happy anniversary to Wally and Sandra Glenn on November 6th.

A well attended miscellaneous shower was held for bride elect, Miss Wendy Foster, the evening of Friday, November 19. Betty Bouck hosted the shower at her home. After a couple of games Wendy opened the lovely gifts, assisted by her cousin, Miss Jeanie Foster, and Wendy's sister Johann recorded them. Coffee was served by the hostess and lunch, brought by the ladies. Wendy thanked everyone, very

graciously and some time was spent visiting. Both mothers (of the bride and groom) were present, Mrs. Anna Foster, Wendy's mother, and Mrs. LaChance (Gerry's mother). The wedding is to take place in Edmonton, Saturday, December 4th, 1971.

Corporal A. Flinkman, who is stationed with the R.C.A.F. at Cold Lake, Alberta was on leave recently and spent some time with his sister Lempie and Nick Paananen of Buck Lake, and his brother William Flinkman. He also dropped in on friends at Wildwood, Usona and the Wetaskiwin area.

At hunting time Nick and Lempie had friends visiting them as well. These were Albert and Gus Tabler, Frank Palechek and Bruce Tapio. The fellows had good luck hunting - they bagged a moose the first day out.

BY MRS. EDITH DEBY

Sincere, if belated, best wishes for many more happy years go to Mr. and Mrs. James Butz who celebrated their fiftieth wedding anniversary on October 23. The Butz children organized the party to which old friends and family were invited. Long time friends came from Vancouver, Detroit, Fort St. John, Vermilion, Dewberry, Calgary, Leduc and Red Deer. The Butz were presented with lovely gifts and a purse. Mr. and Mrs. Butz have five living children, three boys and two girls, twenty-seven grandchildren and three great grandchildren.

Mr. Hamilton Anderson's sudden death came as a shock to his many friends in the Violet Grove district. For twenty years Mr. Anderson had had a store in the village. Upon his retirement he went to live in Thorsby but he was often to be seen visiting here. He will be missed by the many people who knew him.

Mrs. Fay Banks had her lovely new car ruined one morning last week as she drove to work. A

motorist coming in from a side road drove her vehicle into the ditch. Fortunately Mrs. Banks herself escaped with a bad shaking up.

Miss Colleen Beckett is attending a secretarial school in Edmonton. She is making her home with her sister and brother-in-law, Mr. and Mrs. Kenneth Hopf.

Mr. and Mrs. Robert Elliott are leaving shortly to spend part of the winter in B. C. At first they will be with their son in Kamloops and later will move about to see what winter in B. C. has to offer.

The news that the Leslie Oscars are considering a move to Edmonton came as a nasty shock.

Mrs. Green, a former member of the hospital staff, has been a patient in hospital for the past several days. Get well soon, Mrs. Green.

Larry Farnsworth, of Fort St. John, is visiting his grandmother, Mrs. Joan Reynolds. Larry will leave later this week for Nova Scotia where he will begin eleven weeks basic training in the air force.

Dr. and Mrs. MacLure are staying in the Elliott house for the next six weeks. The MacLures plan to return to Africa in May. This time it will be in Sierra Leone.

TEXTURED PLASTER AND PAINT

Are you looking for some ideas to add an individual touch to your home? Add dimension, real depth, to any flat surface with a textured wall treatment of plaster.

The trend to textured plaster commercially has probably been observed by many of you in hallways of apartment buildings, feature walls in foyers and restaurants, facades of stores in shopping malls, etc. The appeal of texture has interested many people in using it residentially.

Although the flat wall is easiest to repair, texture is aesthetically pleasing as well as adding character and warmth to an area. When planning a textural wall in a home, foresight as to the furniture arrangement is important. Certainly chairs should not rub against the wall treatment; if the texture is quite fine and even, marks will show readily and if the texture is coarse, the chair may become marked. However, in a room such as the living room where it is desirable to have the furniture about 6 - 9" from the walls, a texture would probably add character and create minimal repair problems, if any.

For regular maintenance, dusting with a soft brush or vacuuming with the soft brush attachment is necessary. Many textures "mature" as the plasterers say with the build up of natural soil, but free dust should be removed regularly.

Color may be added to the last coat of plaster or a textured wall may be painted later with an oil-based paint to change the color or to tidy the appearance. Paint

rollers with very deep piles may be used or the wall may be spray painted.

To have a wall textured professionally costs approximately \$1. per square foot but factors which influence the price include square footage to be done, condition of wall, travel distance, etc. One can estimate approximately \$100.00 for an 8 foot high x 12 foot long wall.

Do-it-yourself textured walls are easy to do with Gyptex, Dramex or Walltex. These materials are commonly referred to as "textured paint" but are also utilized for sculptured wall effects. For a stippled effect a mohair roller is used for application. For other textural effects the plaster is levelled to approximately 1/4" thickness. The texture is applied by utilizing various things such as a hand-crumpled piece of kraft paper or a sponge

to develop a tapestry effect or by running a whisk broom vertically in straight lines from top to bottom to develop a dimension of depth.

One pound of Gyptex, Dramex or Walltex should cover approximately 7 square feet, but this does depend also on the thickness that is desired for a certain textured effect. Cost: 10 pounds approximately \$2.50, 25 lbs. approximately \$5.50. It comes in selected colors.

The textured plaster may be used directly over drywall or on a metal lath.

Drayton Boxers Win at Breton

Bert Duperron won the "Best Senior Boxer" award after winning handily over the Calgary ace Bob Jarvis at Breton last Saturday evening. Jarvis, a fine boxer stayed on even terms with Duperron in the first round, however, Bert got through with a volley of punches in the second and Jarvis was a badly beaten fighter when referee Jim Bramhill stepped in and stopped the bout at one minute and fifty seconds of the round.

Walter Mastre of Drayton Valley lost a decision to Calgary's Lowell Nichol in a bout at 156 pounds. This was an excellent bout with the colorful Mastre turning in another of his crowd pleasing performances against the slight and fast moving Nichol.

In the other bouts at 50 pounds Melvin Lauer of Drayton Valley won over Darrell Laurie of Breton. In the 60 pound division Doug Stein edged Drayton's Jimmy Anderson. At 90 pounds Lorne Lee of Breton won over Steven Strickland of Drayton Valley. In the 75 pound class David Howath of Drayton Valley dropped a close one to Ivor Haluseka of Breton and at 105 pounds David Andrews of Drayton Valley won over Jess Ellis of Breton. Laurie Davis of Breton took a close decision from Drayton Valley's Darrell Graham at

55 pounds and brother Bob Davis stopped Don Strickland of Drayton Valley. Eddie Lauer of Drayton Valley and Jimmie Knight of Breton had an excellent bout with Knight winning the decision. Both boys weighed in at 65 pounds. Going to the 85 pound class Kelly Standard of Breton won easily over Luke Porach of St. Mathews Boys Club and another St. Mathews boy Darrell Quinn lost an interesting bout to Breton's David Knight.

The boxing card, an excellent one, was attended by almost 300 enthusiastic fans.

Vote For Union

The Board of Industrial Relations conducted a vote in the Breton General Hospital on November 25, 1971 for the purpose of determining whether the Domestic staff wanted to be represented and become unionized under the Canadian Union of Public Employees. The vote was 10 for the union and 7 against.

Therefore it is concluded that certification will be approved by the Board of Industrial Relations and 17 members of the Domestic Staff of this hospital will be organized under charter No. 1413 of C.U.P.E.

The present shortage of farm workers may improve with the proposed introduction of a Manpower program to assist farmers in providing on the job training. Since the proposal is only in the working stages more detail will be up-coming. However much of the success in returning qualified help seems to relate to attitudes. What requirement do employees seek and in what order?

1. Wages - be sure you can afford to hire a man. The alternatives include increased mechanization, having a custom operator or switching to another enterprise.

2. Housing - although employers rated housing in the No. 8 spot in one survey, workers placed it in No. 2. This could be a key reason for the shortage. Housing is important.

Question -- Would good men be less likely to change jobs if they owned or rented their own home away from the farm?

3. Hours of work per day. Average work week on 44 Ontario dairy farms was 67 hours; manufacturing employees worked 40 - 47 hours. However, at present the farm worker does not have expense and time spent on getting to and from work.

4. Labour saving devices and good equipment.

5. Days off - employers rated this second while workers put it fifth. In addition the good worker wants responsibility and involve-

ment in decisions affecting the work.

An incentive plan can also help to retain a competent man. This must be a clearly understood written agreement, beneficial to both. Production incentives can lead to problems as the employee may disregard costs.

Some plans by all types of live stock enterprises currently being used and you can see some have future problems:

- \$5/mo. for keeping breeding records up to date.

- \$100/ year for each year of service up to X years.

- \$3 for each calf surviving at 8 weeks minus \$15 for each heifer calf lost.

- After 2 years employment, 1% of taxable income for each year of employment up to 10 years.

- 2 to 8% of returns over all feed costs, or of returns over purchased feed costs.

- For dairymen only - cash bonus for low bacteria counts

Remember - not all inducements have a dollar sign. A worker is more likely to stay where there is good livestock. He takes pride in working for a successful farmer.

SUMMARY

Volume of receipts continue the seasonal decline. Offerings were largely replacement classes consisting of mostly stock calves along with an increase in the number of stock cows on offer. There were 1400 stock calves through billed to Eastern Canada. Trade was active on all classes. Top quality slaughter steers and heifers were generally scarce and selling at fully steady to firm prices. Good and medium cows 50¢ to \$1 higher for the week. Bulls steady. Replacement prices steady to firm.

SLAUGHTER CATTLE AND CALVES

Choice butcher steers and heifers sold higher in the quotations under more lenient sorting as to weight and condition. There were sales to 33.60 for choice butcher steers and to 31.60 for choice butcher heifers. Good and medium butcher cows were in good demand throughout the week at higher prices. A few good conditioned long haul cows were bringing \$22 as the week closed. Lower grades continue to sell over a wide range at steady prices.

Bulls steady with the odd sale to 23.80. Veal and butcher calves steady.

REPLACEMENT CATTLE AND CALVES

Again with a short supply of replacement cattle on offer prices continued fully steady to strong. Light weights and fancy quality kinds were bringing prices over quotations. Sales up to \$55 per cwt. for light stock steer calves under 300 lbs. and to 45 for light stock heifer calves.

SHIPMENTS

Last weeks shipments of sales off the Edmonton Stockyards were East 60 feeders, West - 43 slaughter and 29 export. Feeder sales to other than local areas 1125 head to central and Southern Alberta areas.

and 5th, Tomahawk.

The boys games were the same from 1 to 6 as the girls and their 7th game was Entwistle A vs Seba. The winners of the tournament were: 1st, Entwistle A; 2nd, Seba; 3rd, Evansburg; 4th Entwistle B; and 5th, Tomahawk.

It was a very enjoyable tournament and congratulations to the winners.

Ladies of Entwistle and Evansburg, I hear we will be able to get our Artex paint supplies close to home. Mr. and Mrs. George Lawley of Gainford are moving to Entwistle early in the new year.

LIBRARY NEWS

"The Last Spike" by Pierre Berton arrived this week. So much has been written about both "The National Dream" and "The Last Spike" that further comment here would probably be superfluous. Other books in the adult section include two new science fiction by Heinlein; "The Human Body" by Paul Lewis. Many illustrations - all in colour.

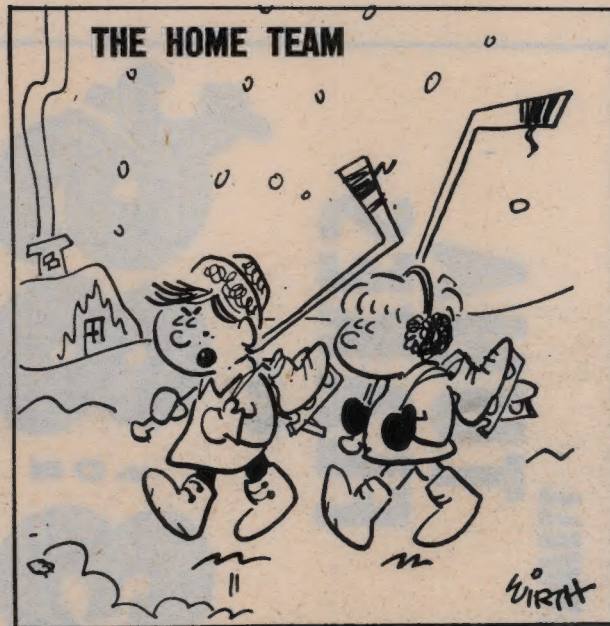

Several readers have requested "Cheaper by the Dozen" by Frank Gilbreth and his sister Ernestine Carey. Very funny in case you've never heard.

If antiques are of interest to you you will want to borrow "In a Canadian Attic". This book features everything from quilt patterns to a canoe knife and from cast iron "Three Rivers Stove" to a medal issued to veterans of the Fenian Raid.

Mary Kelly's latest thriller "The Twenty-fifth Hour" is laid in France.

New books for children and Junior High age readers are arriving every week.

Through an oversight the cards for "Choice of Straws" by Braithwaite and "In Darkness" by Bourgeon were not signed. These books were due in the library on October 26th. If you have them will you please return by dropping in the book chute anytime. Thank-you.

"He gave me a two-minute penalty just for a skeptical tone in my voice!"

ALDER FLATS NEWS

Mrs. Darlene Seely bused the grade nine and ten students to Warburg on Saturday for a volleyball tournament. The teachers who accompanied the students were Mr. Pearson and Mr. Nelson.

Parent and Teacher Interviews took place last Friday and as usual were successful. Many comments were made on the art room all of them good I might add. Mr. Han is a great artist and the Children in his class are doing very nice work. Mr. C. Pyrch Consultant in Fine Arts and Mr. C. M. Ward, Consultant in Physical Education from the Regional Office of Education in Edmonton visited the school during P & T interviews for the purpose of talking with the parents and answering their questions, if they had any. Mrs. Marie Blades and Mrs. Angas Schauerte were hostesses in the morning and Mrs. Ruth Nelson and Mrs. Gloria Bratland in the afternoon.

Congratulations to Eva Haggart and Darrell Patten on their engagement.

Visitors with the Blades and Hayduks the past weekend were Dale and Elaine Rhyason and family of Edmonton.

Get well wishes to Teddy Foster who had both his feet crushed when the cat he was operating tipped over. Teddy is a patient in the Grande Prairie Hospital.

The new skating rink situated by the curling rink is nearly completed, now all we'll need is some cold weather.

Mrs. Simon took a car load of children to Winfield on Friday evening for the Covenant Young Peoples get together. They all enjoyed the evening in the gym playing games.

Leigh Miller, George Maciborski and Victor Maciborski are taking an eight week Agricultural course at the Winfield school. They started last week.

GAINFORD NEWS

The outlook for this farmer's oat crop -- and for other Canadian agricultural commodities -- was discussed at the 2nd Canadian Agricultural Outlook Conference in Ottawa, November 22 and 23.

Sunday, November 14th Mr. and Mrs. George Beach of Edmonton were guests of Mr. and Mrs. Lawley.

Mrs. Ida Clarke is our busy woman of this week. Mr. and Mrs. Clarke visited two days with Mr. and Mrs. Sandy McKenzie of Rimbey. Sunday visitors at their home were Mr. and Mrs. Sam Cooper of Rich Valley. Between times she is helping her daughter, Mrs. Janet Hauser who is home from the hospital.

It was nice to hear the voice of Mrs. Diduk again. They are home after his session in the hospital.

Just when I thought everyone was on the mend I hear to-day that Mrs. Olga Walaschuk is in the Royal Alex Hospital.

Birthday greetings are extended to Mrs. Janet Hauser on November 19th. A few ladies are planning a surprise short visit with her this evening.

The order of the Royal Purple meeting this week was very poorly attended, only nine members -

but if you want a Christmas gift - bring one to the next meeting on December 2nd. Gifts will be exchanged and on December 15th the Royal Purple and Elks are planning their annual Christmas supper and social evening.

The Royal Purple Ladies are also preparing a Christmas hamper and two other gifts to be raffled. No-one can remember who won them last year but it may be you this year if you have a ticket.

The Charles Holosney family have been busy the past while. Mrs. Holosney spent a couple of weeks with daughter Anne and husband, Mr. and Mrs. Gordon Roberts in Prince George, B. C. Mr. and Mrs. Lorne Anderson have moved to Evansburg. Gordon Holosney has gone to work in London, Ontario and Mr. and Mrs. Charles Holosney celebrated 25 years of wedded bliss with a family supper at the home of Mr. and Mrs. Lalonde in Edmonton.

Four generations met with Mrs. Klovansky at the weekend; her daughter, Mrs. Rose Pezzot of Vancouver, B. C.; her daughter Mrs. Sandra Francheck and baby Jeffery Mike of Edmonton. Leslie Pezzot also came from Vancouver with her mother.

Evansburg 4-H Clubs Meet

At a regular meeting this month the Lobstick Beef and Pembina Field Crops Clubs elected two assistant leaders, Mr. Mike Hotra and Mr. John Ohnesty.

Cutting and sale of Christmas trees, a usual fund-raising venture, was discussed but a definite date was not set.

Trophies were received and presented at the meeting to Adele Bura for best rate of gain and Fred Hutchinson for efficiency.

Yellowhead Division Meeting Summary

Minutes of the regular meeting of the Board of Trustees of the Yellowhead School Division No. 12 held in the Board Room, Edson Alberta on November 15, 1971, at 10:00 a.m.

Present at the meeting were trustees, G. Monsama, A. L. Fausak, Wm. Lemishka, J. H. Lawton, M. A. Collins; representing the County of Parkland No. 31, Mrs. A. Clark; Superintendent of Schools, B. A. Chandler; and Secretary-Treasurer, D. S. Blundell.

ADMINISTRATIVE STUDY

Approval was granted for the administrators in the division to use one day, December 1, 1971, for the purpose of reviewing the Yellowhead School Division administrative study report. Acting assistant principals are to be appointed to administer the schools in the absences of the principals and assistant principals. The administrators will meet at the Parkland Composite High School with members of the study team in attendance.

CUSTODIAN HOURS

A report was received on the investigation of the number of hours required to clean and maintain schools which require a custodian less than full time. Approval was granted for the following hours being allocated the schools as indicated and used in calculated salaries.

Evansview School, 35 hours per week; Peers School, 26 hours per week; Fulham School, 20 hours per week; Bryan School (Robb), 18 hours per week; Marlboro School, 7 hours per week; and Central office, 18 hours per week.

SALE OF FULHAM TEACHERAGE

The tenders received for the sale and removal of the duplex teacherage on the Fulham school grounds were opened and read. Three tenders were received in the amounts of \$800.00, \$500.00 and \$426.00. The tender of Mrs. F. L. Rumball was accepted and the secretary was instructed to proceed with the Agreement of Sale.

STUDENT TEACHERS VISIT DIVISION

During the latter part of October, the Yellowhead School Division co-operated with the University of Alberta to have a group of student teachers visit schools in Edson and Hinton to gain experience in schools in rural Alberta. One comment made by a number of students in the evaluation of the project, was that "there is more personal interaction between student and teacher that is missing in the urban setting".

SCHOOL PROGRAMS

The credit offering in all high schools has increased this year: Harry Collinge High School now offers 351 credits, Parkland Composite High School - 393, Niton Central School - 137, and Evansburg Junior-Senior High School offers 283 credits.

Curriculum changes reported on included individualizing typ-

ing and shorthand at Evansburg Junior-Senior High School, a woodworking course at Wildwood School, and a pilot social studies course Man, A Course of Studies at Mountain View School in Hinton.

All high schools in the division are presently offering a driver education course as a part of the regular curriculum at no cost to the student. Some difficulty has been encountered in scheduling this course into the regular program, but most difficulties have been overcome.

A reading rather than a literature based language arts program is being used in a number of junior high classes. For students who are reading below their actual grade levels in junior high school a corrective series of reading texts are being used.

RENOVATION PROJECTS

The renovation projects funded by the Department of Education at Niton Central School and Central Elementary School are nearing completion. A modern carpeted and equipped library has been completed at Niton Central School. At Central Elementary School a new science room, a music room, and an art room have been completed. The industrial arts area is presently being renovated for a library. The division maintenance department is carrying out the work.

AGREEMENT WITH MUNICIPAL AFFAIRS

Despite repeated letters to the Department of Municipal Affairs, the agreement for community use of schools, signed over a year ago by the towns and villages within the division, has still not been signed by the department. Word has been received, though, that the Niton swimming pool agreement is receiving serious attention.

PUPIL ENROLMENT

The pupil enrolment in the Yellowhead School Division stands at 5,059 as at the end of October.

Other matters discussed were: salaries for all classes of employees, meeting with Hinton Town Council, to purchase land adjacent to the Mountain View School, teacher resignations and appointments, report of Director of Transportation, clerical assistance for maintenance department custodian resignation, rate of salary for Deputy Returning Officers and Clerks, report on A.S.T.A. convention, business of individual trustees, and payment of accounts.

BRIGHTWOOD NEWS

On November 21st, a lazy Sunday afternoon, I was sitting gazing out our living room window when an old school bus slowed down to turn into our driveway. He started to turn when a blue panel attempting to pass, side-swiped the bus and shot up into our yard. There was a family with three youngsters, a dog and a color TV in the panel who were very lucky to escape serious injury. There were a few cuts from flying glass.

Chatty McEachern has returned from a three-day visit in Edson. Last week-end she assisted a friend in Violet Grove with the wedding reception of her friend's daughter, Rita Pequin.

Karen Larmour was a patient in the Drayton Valley Hospital for a short time last week.

We attended an open house at the Evansburg high school. The occasion was to acquaint the parents with the subjects their children are studying.

EVANSBURG NEWS

Approximately 115 people sat down to a smorgasbord supper at the Legion Hall on November 19 put on by the National Farmers Union and served by the Ladies Auxiliary to the Royal Canadian Legion.

After supper all guests went upstairs to hear addresses by Mr. O. Trynchy, M.L.A. for Whitecourt, Mr. R. Zander, M.L.A. for Drayton Valley Constituency and Mr. Walter Spak, leader of the N.F.U. of this district.

Ohl's orchestra from Mayerthorpe provided the music and the rest of the evening was enjoyed by dancing.

Visitors to the Evansburg district this past week were Mr. and Mrs. Ben Gibson, (Mrs. Farrell's sister) from Winnipeg, Manitoba.

Congratulations go to Const. and Mrs. Jim Medley on the birth of a baby boy.

A farewell party was held in the Legion Hall on Thursday evening in honor of Const. Mickey Roche who was transferred to the

Sherwood Park detachment.

The members of the United Church Women would like to thank all those who donated home baking which helped to make the bake sale a success.

Members of the Royal Canadian Legion and Ladies Auxiliary are reminded of the regular meeting on December 6, in the hall at 8:00 p.m.

Flooding in the arena is in progress and it won't be long before the youngsters will be able to put on their skates to enjoy hockey and figure skating.

A total of 4.9 million bushels of barley were cleared through Churchill this year. This was the first time a second grain was moved through the northern port, and as a result of the success of the experiment, the Canadian Wheat Board will move substantial quantities of barley through there next year.

PARKLAND SUPER DUTY 1 OIL

Leif Lindblad, owner of 2-12 Fast Express, of Red Deer, Alberta, reports that his van, pictured above, has run 200,000 miles since March of 1968 with no major engine repairs, and has had Super Duty 1 oil in it the whole time. "2-12 runs from Red Deer to Castor daily and we can't take chances on vehicle maintenance," reports Mr. Lindblad. "Super Duty 1 oil gives me the protection I need, and saves me money too."

WILDWOOD NEWS

On November 20th the Drayton Valley O.O.R.P. and Elks took the travelling gravel to the Wildwood Lodge. Honored Royal Lady Pruden of the Drayton Valley Lodge presented the gravel to Honored Royal Lady Lemishka of Wildwood Lodge. Exalted Ruler Cathrea presented the gravel to Past Exalted Ruler Jorgenson of Wildwood Elks.

District Deputy Bob Cowan of Drayton Valley spoke on the Purple Cross Fund and hoped all lodges would give all they can to this fund as it supports the deaf detection. Guests were from Drayton Valley and Entwistle lodges. A social evening followed, entertained by Laws orchestra.

Mr. and Mrs. Bert Ahlskog had the misfortune of having their house burn down on November 18. Fred Korneman is home recuperating from a knee operation. We hope you have a speedy recovery Fred.

Albert Monty was home for a few days.

Ray Baron and Gordon Reid were home from Rainbow Lake for three days, returning to work on Friday.

The Senior Citizens annual Christmas dinner sponsored by the Ladies of Royal Purple, Ladies Aid and Elks will be held at 2:00 p.m., December 5th in the Wildwood Hall Annex.

The Ladies of the Royal Purple had cook books made up from favorite recipes of ladies of Wildwood district, anyone wishing one contact Mrs. Gordon Reid. They would like to thank all those who donated to the C.N.I.B. campaign. The money turned into O.O.R.P. by the Walkathon was presented to the curling rink fund. The Wildwood lodges will travel to Hinton on December 4th with the travelling gravel.

Mr. and Mrs. Vic Hawryluk have moved into their new home.

The Wildwood Library will be open by December 3rd, with the grand opening December 11. Coffee and donuts will be served.

You and your domestic "power hour"

Look at the power/full difference
20 years made to the
cost of perking you up 365 mornings a year!

THEN: That new-electric coffee percolator was a big step forward. Mom could make the rest of the breakfast - while the coffee took care of itself, for a power cost of

22¢ a month.

NOW: In 1971, Mom's coffee is better than ever, thanks to the help of a fully automatic electric percolator. It brews strong or weak - all at the twist of a dial for a power cost of

10¢ a month.

Despite continually increasing costs, the price of electricity is far less than 20 years ago

Safe Driving Week Starts December 1st

Safe Driving Week, Canada's longest-running national safety campaign, is being held from December 1 - 7. It is supported by all levels of government, business industry and organizations concerned with safety.

Governor General Roland Michener, Honorary Patron of the Canada Safety Council, endorsed the campaign as did Prime Minister Pierre Elliott Trudeau who issued a message saying the campaign deserves the support of all Canadians.

James C. Thachray, President of the Canada Safety Council, pointed out that the success of the campaign depends upon the participation of all Canadians.

Mr. Thachray said drivers themselves are responsible for accidents in the great majority of cases. But they could prevent nine out of 10 of them by driving defensively, "by gearing their actions to the tested principles of recognizing the hazard, understanding the defense and acting in time."

The scope of the problem being brought to the attention of Canadians by the campaign is given by 10-year statistics from 1960 to 1970. In this decade, there were 4,050,909 reported traffic accidents in which 47,324 Canadians were killed and 1,482,312 reported injured.

CELEBRATE ANNIVERSARY

On Saturday, October 30th friends and relatives gathered in the Legion Hall, Drayton Valley, to celebrate the Twenty-fifth Wedding Anniversary of Mr. and Mrs. Frank Hazzard. They were married in Edmonton on October 26, 1946 and have made their home, the past sixteen years, in Drayton Valley.

They have two married daughters, Mrs. Lorraine Forester of Edmonton and Mrs. Eileen Ashton of Drayton Valley.

An evening of dancing and visiting was enjoyed by all.

LODGEPOLE NEWS

Eight rinks took part in a Mixed Spiel. Winner of the first event was the O. Stordalsvall rink with Mr. and Mrs. Brennan and Mrs. Hill. Winner of the second event was the Straus rink with Mr. and Mrs. Walter Straus and Mr. and Mrs. Cyril Straus. Regular curling is starting so any would-be curlers are welcome to join the sport.

Miss Dot Sloane of Swift Current is visiting here with Mr. and Mrs. Stewart.

A farewell whist party was held at the Brazeau Hilton for Mr. and Mrs. Shiman who are being transferred to Spray power site. Mr. and Mrs. Muzillo are leaving at the same time. They will be replaced by R. Hale and the Heathcotes from Seebee.

Mrs. Gregorish will replace Mrs. Shiman as Brownie leader assisted by Mrs. Jacobson.

AIR CADET NEWS

Congratulations to Capt. Pat Turner on the confirmation of his appointment as Commanding Officer.

The move to the new Frank Maddock High School was made for November 25th parade.

The annual chocolate sale on November 26th was a success. Our thanks to the drivers: Mrs. Bertha Brooks, Mrs. Dell Ball, Mrs. Linda Thompson, Mr. Walter Bamay, Mr. Bruce Cable, Mr. Pat Coppens, Mr. Mary Grue, Mr. Keith Hendrix and Mr. John Nixon. Also thanks are extended to all who supported the cadets with a purchase of the chocolates.

Congratulations to Mrs. A. Anderson on the winning of the \$120 Jackpot at the last Air Cadet bingo.

Coming events are the bake sale at Block's store, Friday, December 3rd at 3 p.m. and the regular monthly bingo in the Legion Hall, Sunday, Dec. 5th.

FRANKLIN'S GULL

A small black-headed gull found commonly on prairie lakes and marshes. Nests in colonies, nests are located on dense mats of floating, anchored marsh vegetation and may be only a few feet apart. Some colonies contain several thousand birds. In spring and fall large flocks congregate on ploughed fields where they consume great quantities of harmful insects such as crickets, grasshoppers, cutworms and wireworms. Winters along the Gulf of Mexico to the Gulf of Panama and Chili.

Clippers Lose First Game

The Clippers took to the road this past week and came out with a single point out of a possible four points. On Wednesday at Camrose, a mental lapse for two minutes by the Clippers enabled Camrose to score 3 goals and put the Clipper's backs to the wall, which was too difficult to overcome.

The final score was 7 - 4. The Clipper scoring was shared by Ron

Reich, Cam Selin, Xavier Goppens and Mark Hutton.

Saturday night Clippers invaded Didsbury and fought to a 2 - 2 tie. The Clippers spotted their opposition 2 goals before the Mutt and Jeff combination of the team went to work. Dean Samis scored in the late stages of the second period. With less than 3 minutes left in the game, Cam Selin sent a defenseman and the goalie into the cheap seats with two beautiful shifts and scored.

The Clippers have not yet played up to their ability, however 3 bright spots in the last 2 games have been "Mighty-Mouse" Selin, Ron Bartek and Ken Fournier with their forechecking and exceptional positional play.

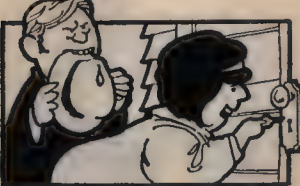

Next home game December 4 against Olds.

Tomahawk 4-H Plan Program

The Tomahawk 4-H Beef Club held an executive and adult committee meeting on November 15 at the home of Mr. and Mrs. Harold Strocher. The meeting was to write up the program for the 1971-72 club meetings. All meetings will be held on the second Tuesday of the month at eight o'clock.

The first annual meeting was held at the home of Mr. and Mrs. Carl Goertz on November 16th. All members were present.

For business, a new treasurer was elected since the former treasurer retired from the club. The new treasurer is Cheryl Brydges. Insurance for calves was also discussed and was available for purchase if the individual desired.

Kathy Goertz gave a report on "record keeping" and Alan Jouan gave a report on "starting your calf on feed".

PUBLIC NOTICE

BY-LAW NO. 46-71

By the Council of the County of Parkland No. 31 of the Province of Alberta.

WHEREAS it is deemed expedient by the Council of the County of Parkland No. 31, of the Province of Alberta, that the sum of Seven Thousand Dollars (\$7,000.00) should be borrowed on the security of the said County by issue of debentures repayable to the bearer in 25 consecutive annual instalments with interest at the rate of not more than Nine Per Cent (9%) per annum for the following purposes, namely:

Providing renovations to the existing old Elementary School in the Spruce Grove School District No. 450 as follows:-

1. Convert an existing classroom to an Administration centre to consist of a Principal's office, Vice-Principal's office, Counselling room, Secretary and general administration area.
2. Convert existing Principal's office and storage to staff work room.
3. Provide girls' washroom facilities in the area now occupied by the alcove between the existing girls' washroom and the existing Principal's office.
4. Provide an exterior exit from the existing entry to the side of the gymnasium.

At an estimated cost of \$11,000.00.

THEREFORE, notice is hereby given by the Council of the said County that unless a poll of the electors of the said County for and against the said debenture loan is demanded, as provided by Section 104 of The School Act, 1970, the said Council will apply to the Local Authorities Board for authority to borrow the said sum by issue of debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

Reeve

Dated at Stony Plain
this 23rd day of November, 1971

INSTRUCTIONS TO ELECTORS PETITIONING FOR A VOTE ON A MONEY BY-LAW IN A COUNTY
(Sections 2(e), 3 and 104 - The School Act, 1970)

"Elector" for the purposes of petitioning for a vote on a debenture by-law means a person:

- i) 18 years of age or older
- ii) who is a Canadian citizen or British subject, and
- iii) resident in a County for at least the 12 months immediately preceding the day on which the petition is presented;

A poll respecting the aforementioned borrowing may be demanded in a County by preparing and submitting to the School Committee a petition for a vote in accordance with the provisions of Sections 2(e), 3 and 104 of The School Act, 1970.

The petition must be signed by at least

- (a) 2 per cent of the electors in a County having 10,000 electors or more, or
- (b) 5 per cent of the electors in a County having less than 10,000 but 5,000 electors or more, or
- (c) 10 per cent of the electors in a County having less than 5,000 electors but 500 electors or more, or
- (d) 15 per cent of the electors in a County having less than 500 electors, and be filed with the School Committee within 15 days of the last publication in a newspaper of the public notice of the proposed debenture borrowing.

THANK YOU

I wish to express my sincere thanks to all those who supported me in the November 24th election at Wildwood. I will work to the best of my ability as School Trustee.

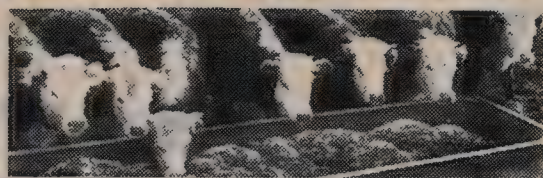

A. E. Winfield

We wish to thank our two oldest boys, Bill and his wife Rose, Alan and the five younger children for the lovely supper they gave us on the occasion of our 25th Wedding Anniversary, Friday, November 5th. Also to our friends and neighbors for their gifts, cards and a cash donation, we wish to say thank you all for your kindness and co-operation in helping make it a memorable evening.

RENO NEWS

There will be a dance at Reno Hall on Saturday, December 4th with music by Lorenz. Proceeds will go to the Evansburg curling rink and Reno Society. Support community activities and keep the communities alive by coming and bringing your friends.

A meeting of the elected members of the Reno Society met at the home of Mrs. George Court where plans for the Christmas concert and party were discussed.

Mr. and Mrs. Mike Borys were host to a small gathering in their home recently, the occasion being their 18th wedding anniversary and Mike's birthday.

Mr. and Mrs. Peter Tkachuk went to Calgary last week-end to attend the funeral of Pete's niece, who, we're sorry to hear, was killed in an auto accident.
